Maintenance	Mike Finnegan
Laundry	Okena Jenkins
Housekeeping	Maria Arellano

Celebrating Easter

Hunting for Easter Eggs

Some areas of the house were filled with eggs, ready for the annual Spring Arbor Easter egg hunt.

With much anticipation, residents moved up and down the halls looking for over 200 eggs filled with assorted candies. After all the eggs were found, residents gathered in the activity room to open the eggs and enjoy some of the goodies stuffed inside.

It was a lot of fun for all, including the young and young-at-heart.

Parade of Hats

Resident Helen Morris Gets a Closer Look at This Designer Hat

Every year the Oakwood School children design their own hats and they look forward to coming to Spring Arbor to model their creations for us.

Each year we are so impressed with their creativity and the different themes they choose for each hat. This year they were another work of art.

The residents smiled with delight, as each child paraded in single file to show off their originals.

After the parade and a special program by the children, everyone shared milk and cookies and visited.

It is something we look forward to each year.

If they are this creative at such a young age, they have even more to look forward to when they become adults.

We look forward to more creations next spring.

Welcome, New Resident

The Backyard Boys Band

We would like to thank and welcome the new addition to our volunteer program, The Backyard Boys Band. They have entertained us with several programs and we do enjoy the variety of music they share with us.

Some of the music takes us back to yesterday and some is unfamiliar to us, but we enjoy new music also.

We have enjoyed getting to know them on a personal basis; it feels as though we have known them for a long time.

We do look forward to their monthly programs and the fellowship we share.

We invite you to come on the third Thursday of each month and enjoy their music along with us.

Again, thank you to The Backyard Boys Band for being a part of our program and an extended part of our family.

Residents Enjoy Easter Egg Roll

Easter week was very busy for residents of Spring Arbor of Greenville. Each day was full of fun-filled activities. Included in the Easter activities was the guessing of how many jelly beans were in a pint jar. Skeeter McLawhorn won the jelly beans, missing the exact number by 10.

Residents gather in the activity room for our annual Spring Arbor Easter Egg Roll. We chose to sit while rolling the eggs—so with residents seated side by side, it was time to start.

The jukebox played our favorite tunes, and with a gentle push, the eggs began rolling across the floor.

The winning eggs were the ones that landed closest to the wall. The line stretched across the room, as residents took turns rolling eggs to win money and candy that was stuffed inside. We laughed as some of them spun like the old tops we played with as kids, while others split in half during the throw.

Sometimes there was a tie and we had to roll again.

Everyone had such a good time we are trying to think of something else to toss for fun.

Easter Egg Hunt With the Children

As residents watched the children hunting for the Easter eggs, it brought back fond memories of when their children were small. It is nice to take a stroll down memory lane and remember the good old days and it is good to see that some things have not changed, such as kids and parents alike enjoying traditional and family celebrations.

Some Spring Arbor residents took to the outside to watch the children as they hunted for eggs in the backyard.

The children were so excited when it was time to start looking for the eggs their parents had hidden. With baskets in hand, they ran with excitement around the yard to see how many eggs they could find.

The residents were sitting under the gazebo watching as each child ran in their direction looking for the Easter eggs.

When all the eggs were accounted for, it was time to meet back in the sunroom for some delicious refreshments prepared by the moms.

We always look forward to the moms bringing the children to visit for any occasion.

We look forward to their next visit.
